

PARISH MINISTRY COMMITTEE

Report to Congregation Council

February 2009

The **Every Member Prayer Ministry** is in its 14th year. Roberta Smith has been a Prayer Partner for this ministry since its inception. This is quite a testimony to her faith and caring. She has asked to be replaced to devote that time to other church activities.

Meal Ministry – Depending upon God’s schedule, the funeral luncheons can be very demanding to schedule. With some of the volunteers being older it wears on them but they are some of our most faithful. Jo-an Eckert, Meal Ministry Telephone Coordinator tries to integrate younger and older. This task isn’t easy since the calls to plan and present a luncheon must be done within a day or so and people have conflicts. Jo-an can spend many hours on the phone.

Speaking of Jo-an, this duty for the Meal Ministry has been faithfully handled by her for quite a few years along with many others as part of Parish Ministry. She recently asked to step down as CPR/AED Trainer which was offered monthly. She is continuing with the blood pressure screenings and will continue to offer First Aid Training. I will be doing an article for the March Trinity Parish about her discipleship at Trinity.

What a pleasure it is to report on two such faithful servants. The church is where God’s presence is known. These two women give and serve the church and take their role in the glorious body of Christ

**Donna V. Sprowls
Committee Chair**
