

Report to Council

Fellowship Team

March 2009

Peace to you from the Fellowship Team!

The Fellowship Team met February 19. Our current activities include:

Special Events

- **New Members Potlucks:** The Fellowship Team partnered with the Evangelism Committee and Women of Trinity to host another New Members Potluck following worship on February 22, the date that the winter class of new members joined Trinity. It was a good opportunity to meet the newest members of our church family. The next New Members Potluck is scheduled for May 31.
- **Supper Clubs:** The latest round of Supper Clubs are currently meeting monthly with a final potluck scheduled for May 17. It was suggested that consideration be given to integrating the Supper Clubs concept with the New Members classes in the future. Fellowship will initiate conversation with Judy Collins to this end.
- **Garden of Eatin':** Thank you for your help in signing up to help with the Garden of Eatin' -Part 2. Your support is greatly appreciated in setting an example of hospitality at Trinity. The schedule is full through June, but there are still Sundays available for the second half of the year. If you are in a position to take another Sunday, or if you're aware of someone who could help, please contact Debbie Wilson. Also, please be aware that George Enney very faithfully coordinated the Garden of Eatin' – Part 1 every Sunday. He has such a smoothly operating system that many folks take it for granted. When you have the chance, take a moment to thank him for all his work to help every one feel hospitality at Trinity

We decided to try collecting voluntary contributions to offset the additional cost of the Free Trade coffee Trinity now uses. Look for the coffee can receptacle and display at the coffee credenza on Sundays.

In some years past, we have not had the Garden of Eatin' on Easter Sunday in order to give volunteers a break. However, over the last few years, the Fellowship Team thought it was important to offer this hospitality on such a glorious day. Members of the Fellowship Team will once again host the Garden of Eatin' for Easter this year.

The next Fellowship Team meeting is scheduled for 7:00 p.m. on March 23 at Martin Communications.
