

EVANGELISM COMMITTEE REPORT TO COUNCIL

April 2009

Greetings!

The Evangelism Committee met on March 16, 2009. Here are some “highlights” from that meeting:

Fred Bohls attended the meeting to guide our committee through the process of creating a new “Mission Statement” for Evangelism (one that better reflects Trinity’s Vision & Mission). Once we came up with a rough draft, we looked at what our committee is currently involved with...and discovered that some of our activities might be better served by (or shared with) other committees.

We will *continue* to work on *finalizing* a more focused Mission Statement for our committee.

Earlier this year, Elizabeth Winters gave our committee a “Welcome Bag” from another church to see if we would want to duplicate any of *their* ideas as we welcome new visitors to Trinity. Using one of their examples, we voted to design a laminated card listing Trinity’s Vision, Mission, & Guiding Principals – along with Trinity’s mailing address, phone number, and web address. We plan to give these cards to our first-time visitors, along with our gift of homemade bread.

It’s an exciting time to be involved in Trinity!

Sincerely,
Betsy Knarr
