

PARISH MINISTRY

Report to Congregation Council

April 2009

The next **Blood Bank** drive will be Sunday, May 17.

Blood Pressure screening for April kept our nurse volunteers very busy as usual. Again two of those screened were elevated.

Meal Ministry Three meals were served during the month of March. The committee agreed the Meal Ministry guidelines shall require the cost of flowers to be included with the “reimbursable” fee to the family.

I recently received a \$50 Giant gift card from Linda Waechter who was the previous Meal Ministry Coordinator. She suggested this donation be used for flowers or “nice extras.” Since the decision has been made that the ministry “should not” cover the cost of flowers we will prayerfully decide how we can best use this generous gift and show our appreciation to Linda.

Our proposed Parish Ministry Mission Statement has been submitted to the Strategic Planning Team. Our Mission: *“As members of Parish Ministry we act in Christian love and witness to faith in Christ as we continually strive to serve the physical, emotional and spiritual needs of Trinity members. We welcome all who express a willingness to learn and help in any of these ministries.”*
