

## **PARISH MINISTRY**

### **Report to Congregation Council**

**May 2009**

**Meal Ministry** Two meals were served in April, the Pepperman funeral for 115 and the very large Romberger funeral for 245.

Our major concern has been the need of some volunteers to pick up the food at Giant. Bruce and Tina Stauffer have been regularly filling this task. However, they are part of the volunteer crew for the entire meal process. For the Romberger funeral Bruce took off work to participate. A true act of Christian love. Karen Appel, the coordinator of the ministry also steps in when needed to pick up the food.

I contacted Judy Collins for help through the Discipleship Opportunity form now in the Sunday bulletins. Very soon after, she responded with the names of three couples. They have been welcomed into this ministry.

**Blood Pressure** screening for May was 18. This time all were screened as normal!

The **Blood Bank** drive will be held on May 17.

**Donna V, Sprowls**  
**Chair**
