

Stewardship Team
Meeting Minutes and Report to Council

April 28, 2009

Attendees: Chairman Joe Fidler, George Wirt, Mark Mathews, and Dave Miller

Spiritual Connection Mark Mathews opened our meet our meeting with scripture and prayer.

10-10-80 Materials and Use We discussed presentation possibilities for our 2009 theme along with reviewing items that would help keep the idea in front of people. We will investigate opportunities for Sunday School presentations. Our theme "10-10-80" refers to giving 10% to God, saving 10%, and spending the remaining 80% wisely.

Temple Talks We have begun the process of recruiting speakers for Stewardship Temple Talks in the fall.

Offering Envelopes We reviewed options to receiving offering envelopes in a box with a whole year's supply. Options are available for monthly mailings of envelopes. We are told that this process increases giving and the Chairman has requested support of this claim from the vendors.

Create New Mission Statement The team reviewed a draft of the Stewardship Mission Statement and proposed changes. The Chairman will incorporate the changes into our Mission Statement for our review. We also selected the Guiding Principles that are appropriate for the Stewardship mission.

New Members Class Mark Mathews has offered to make the Stewardship presentation at the next class.

We closed the meeting with prayer. Next meeting is May 26th, Room 239, at 7:00 PM,

Respectfully submitted,

Dave Miller
Church Council Liaison
