Spiritual Connection Greg Woods opened our meet our meeting with a reading from Romans.

Sup and Study Stewardship will bring a course on Financial Freedom to Sup and Study. Topics will range from Giving in Scriptures to Budgeting. These sessions will coordinate with Finance's presentation on endowment opportunities.

Spiritual Gifts Coordinator Report Judy reported on opportunities for young adults, a Trinity business directory, and a Defensive Driving course

Stewardship Brochures George Wirt shared brochures from a visit to another church. We found the brochures informative and discussed placing similar items in Trinity's tract rack.

Taking Place Judy discussed a course she will present on helping people find a personal good fit in the Church's ministry. The course includes reviewing ones personality and abilities how they connect with life experiences.

10-10-80 Stewardship is planning a presentation to our confirmands around our theme "10-10-80" which refers to giving 10% to God, saving 10%, and spending the remaining 80% wisely.

Make it Simple Videos The committee has reviewed these ELCA videos on frugal living, understanding the difference between our wants and our needs. We are reviewing opportunities to make these videos available through links on Trinity's website and articles in Trinity Parish.

Offering Envelopes We reviewed options to receiving offering envelopes in a box with a whole year's supply. Options are available for monthly mailings of envelopes. Greg Woods will work with the vendors on options and pricings

We closed the meeting with prayer. Next meeting is September 22nd, Room 239, at 7:00 PM,

Respectfully submitted,
