

Missions Committee Report

October 2009

- 1) We are planning a mission trip to New Visions Community Center, aka Frank's Place, in Camden, NJ, in mid-December to deliver the gifts from the Giving Tree. This will be our second annual visit.
- 2) We have asked Richard Sarker, one of the missionaries we support, to be the speaker for our Missions luncheon on Sunday, January 3. Richard manages a health ministry in Southeastern Asia and is based in India.
- 3) Because of the retirement events for Pastor Hardy in January, we have decided not to have educational events during the Sunday church school hour on Sundays in January.
- 4) We are talking with St. Paul Lutheran in Carlisle about joining them in a mission trip to Our Saviour Lutheran on the Rocky Boy Reservation in Montana. Folks from St. Paul have been visiting Rocky Boy for a number of years.
