Temple Talks Stewardship talks are scheduled for October 18, October 25, and November 1 as a prelude to Stewardship Sunday on November 8.

New Members Class Stewardship Committee will make a presentation to new members on October 18

Confirmation Class Stewardship is planning a presentation to our confirmands around our theme "10-10-80" which refers to giving 10% to God, saving 10%, and spending the remaining 80% wisely. The presentation is scheduled for November 22.

Offering Envelopes We reviewed options to receiving offering envelopes as a whole year's supply in a box. Greg Woods reported on options and pricings with three vendors. We decided to move to bi-monthly mailing of envelopes for 2010 with expectations that the additional reminders will increase giving. The Committee will monitor the effectiveness of the change.

We closed the meeting with prayer.

Respectfully submitted,

Dave Miller
