

Council President's Report

December 14, 2009

1. Thank you for your cooperation in submitting names for consideration for both the Senior Pastor Call Committee and the Congregation Council. Council will be acting on both of these slates at the December 14th meeting.
2. Recently you received an announcement about the Lower Susquehanna Synod's 2010 *Congregations Together in Mission* event scheduled for Saturday, March 13th at St. Matthew Lutheran Church in Hanover. The theme centers on the ELCA *Book of Faith Initiative*. Please put this date on your calendar and plan to attend a day filled with inspiring workshops on all phases of the church's ministry, an outstanding keynote speaker and a worship service of Word & Sacrament led by Bishop Hoover.
3. Please continue to hold the date of December 21, 2009, for a possible special Council meeting should we be unable to finalize the 2010 budget at this month's regular meeting.

Peace,

Doug Bonsall
Council President
