

**DIRECTOR OF MUSIC
REPORT TO CONGREGATION COUNCIL
DECEMBER, 2009**

The month of December has been a very busy one for me and all involved in Trinity's music ministries. The Trinity Christmas Celebration was very well-attended and appreciated, and utilized just about every music-maker our church has! I'm sure the Susquehanna Chorale concert next weekend will be just as successful.

Much time had been spent sorting, marking and editing instrumental parts which were mailed to orchestra personnel; not to mention the many hours of personal study and analysis, rehearsals with the various choirs, and publicity. Each week is filled with services, set-ups, rehearsals, and concerts.

After the concerts, planning will begin for the winter/spring portion of the 2010 liturgical year, and the 2010/2011 Concert Series.

All of the choirs are busy preparing for our Christmas Eve services. Each one should be a very inspirational experience.

I'm sure I'll see you at many activities here at Trinity over the coming weeks. May you each have a blessed Advent and Christmas season.

Tim
