November has been very busy, not only with its own events, but with preparing for the Advent & Christmas seasons. In addition to what is noted above, I, along with Christopher Couch, met with Heather Rose and other staff from the Pre-school concerning a situation involving one of the families there. They continue to keep me apprized of the situation.

While we as a staff continue to brace ourselves for Pastor Hardy's departure, we are also looking forward to working with Pastor Ludwig. I anticipate his arrival, and helping him settle in.

May God's blessings be on you all this Advent and Christmas season.

God's peace,

Pastor John Brock
