Farewell for Pastor Hardy

Most of the first part of January was simply preparing for the celebration of the ministry of J. Stewart Hardy. I want to thank all those who were involved in the planning and execution of the events. I have heard nothing but positive comments.

Much of the rest of January has been spent assisting Pastor Ludwig get up to speed with all that transpires at Trinity. I think he is doing an admiral job, considering he has only been here five weeks as of this writing. I look forward to working with him and learning from him these next twenty months or so.

I would like to ask your assistance and encourage you all to help us in the office, especially those of us on the pastoral staff: when you know of members who are hospitalized, or facing personal or financial crisis, please DO NOT be afraid of informing us. Even if you

think someone has already notified us, let us know. I would much rather be told about someone who needs a visit twelve times than not know at all.

May God's blessings be on you all this Season of the Epiphany

God's peace,

Pastor John Brock
