

**WOMEN OF TRINITY REPORT TO CHURCH COUNCIL  
FEBRUARY 2010**

In January the Women of Trinity held five circle meetings, three project group sessions (intercessory prayer, sewing and prayer shawl) and a board meeting. They also embarked on their cookbook projects to raise funds for the Ecumenical Food Pantry and World Hunger. They are now collecting favorite recipes from the entire congregation and taking preorders. It is hoped that members of Trinity's Church Council, committees and staff will submit recipes. The deadline is currently February 21. Recipe submission forms, a collection box and on-line instructions are on a round table in the Gathering Space. Members are taking preorders on Sunday mornings.

Now that the Harrisburg Neighborhood Center has acquired a second van, the Special Projects Committee is collecting Campbell product labels for Trinity's Preschool Playgroup.

In January the board determined to make a special year-end contribution to the Women of the ELCA.
