

COMMUNITY HEALTH FAIR 2010

REPORT TO CONGREGATION COUNCIL - MARCH 2010

COMMUNITY HEALTH FAIR - 2010, April 17th, will be a major event for members of Trinity and the surrounding community. The Health Fair Committee is eagerly preparing to provide many opportunities to assist individuals and families in pursuit of WELLNESS in body, mind and spirit.

Over 30 organizations will be providing personal interaction and informational seminars, health screenings, displays and literature to persons from age 3 to senior adults. All presentations and screenings are being provided at no cost to participants with only the exception of glucose and cholesterol screening. With budget constraints in mind, the cost to Trinity Church will primarily be the expense in providing space, utilities, printing and postage.

While we are anticipating a high rate of participation from our own congregation, the committee sees this as an Evangelistic outreach to the community as well.

We are grateful for the interest and assistance of many health professionals from within our congregation, the local hospitals and health related organizations. The fair will be open from 9:00 AM to 3:30 PM with booths and displays in Fellowship Hall from 9:00-3:00 and seminars in class rooms from 9:30 to 3:30. Special children's programming will be provided in the children's area of the Educational wing.

The fair is being publicized both inside and outside Trinity Church including *Trinity Parish*, *Trinity Today*, Temple Talks, Local newspapers and newsletters, radio and TV stations, 500 Door Hangers with flyers (Evangelism Committee's continuing project), posters distributed in the community, and Trinity's web site.

Questions concerning the Community Health Fair - 2010 may be directed to Judy Hunter, Chair at any time. DO COME TO THE FAIR!!! You'll be glad you did!

Respectfully submitted,

Judy Hunter, Chair
