

Fellowship Team Council Report
March 2010

The Fellowship Team met February 15 at the Wilson's home. Those in attendance were: Dick & Darlene Hess, Linda Drye, Joe Hunter, Daryl Ackerman, Brenda Kaczmarek, Kelly MacConnell, Debbie Wilson.

There was discussion about the following topics:

- Thanksgiving Dinner - possibility of working with Social Ministry to expand meal deliveries and outreach to additional people.
- Garden of Eatin' - positive ways to address food consumption: 1) Donors are encouraged to bring healthy food selections; 2) hosts should not feel compelled to immediately re-fill empty serving dishes; 3) use of signs on tables to gently remind folks to share food with those who come after them.
- January 24 Congregational Meeting Potluck review - ran short of food. To address this issue: 1) add verbiage to publicity encouraging folks to sign up and to bring a dish to serve eight; 2) experiment with future potlucks by preparing 20% more of Fellowship-provided dishes to feed those who don't sign up but do attend the meal.
- Worship, Dinner & a Movie Night, Saturday, February 27 - worked out logistics details.
- March 7 New Members Potluck - worked out logistics details.
- April 17 Health Fair - discussed Fellowship role in the event.
- Supper Clubs - update from coordinator Pam Easley. Things are going well with the current session and there is already interest in the summer session.
- Fellowship Team calendar - updated.

The next Fellowship Team meeting is Monday, March 15 at the Hunter's home.

Respectfully Submitted,

Debbie Wilson, Chair
