Lenten Breakfast	2
------------------	---

March was busy with extra Lenten worship, Sup n Study classes, home visits, and funerals. Writing this report AFTER Holy Week, I am surprised I am not *more* tired. I will be taking some time off (make-up days off) at the end of April in an attempt to recover (although, with all the planned house work I hope to accomplish, I do wonder if I will come back to the office rested).

God's peace,

Pastor John Brock
