

EVANGELISM COMMITTEE REPORT TO COUNCIL

May 2010

The Health Fair was very well organized and well presented... We had PLENTY of volunteers...and the entire event went very smoothly. The Fair's Chair, Judy Hunter, thought of every little detail and, under her direction, we all worked together like a well-oiled machine.

The food was tasty, and the menu was well planned, too!

We didn't get as many guests as we had anticipated...but the people who did come, got an excellent fair experience. Each **volunteer** also had the opportunity to take-in the health fair and attend some of the seminars.

It was a job well done. One we can all feel good about.

Please be sure to read the full "Community Health Fair" report included among this month's reports to Council. It's quite interesting! There's also a special note regarding the Health Fair in Parish Ministry's report to Council this month!

Our current **Affirmation of Faith** class members will be joining Trinity the weekend of May 20th – May 23rd. At this month's Council meeting, I'll be asking you to approve each one for membership. Also at this meeting, I plan to circulate a sign-up sheet requesting your presence at our (now traditional) **Congregational Potluck Luncheon** to meet and greet our newest members the weekend they join our church family.

Please consider joining us on this festive day!
