

Trinity Lutheran Church  
Sample Goals  
June 2010

Implement a Strategic Planning Process – activities to include; completion of a strategic planning policy page, naming of a chairperson, naming of a committee.

Complete the Facilities Planning Study

Increased emphasis for stewardship; encourage members to touch or be touched by one additional ministry (participation) and encourage members to step-up their financial contributions by one additional percent.

Establish Christian educational opportunities for the senior high, single and young married groups and expand opportunities for all other age groups.

Evangelism: develop a system to monitor attendance trends to proactively promote continuing member participation and retention..
