

## *Senior Pastor Call Committee* Report to the Congregation Council June 14, 2010

The Senior Pastor Call Committee met on May 2, May 16 and May 23, taking Mother's Day off and May 30 off for Memorial Day Weekend.

- We continued our work on the draft of the Ministry Site Profile. That work is nearly complete. The draft will be handed out to the Congregation Council members at the June 14 meeting in preparation for the June 28 meeting with the Congregation Council, the call committee, Pastor Cliff Eshbach of the Lower Susquehanna Synod and Pastor Gwenn Trout, the West Shore Conference dean.
- In addition to completing the draft of the Ministry Site Profile, we also began the process of compiling questions to be considered during interviews. **If you have any questions that you would like us to consider including in our interviews, please them to me as soon as possible.** I prefer to receive them by email and they can be submitted to the email address listed below. I expect our work on the interview questions and preparation for our first interview to begin seriously on June 20.

Looking ahead, in June we will meet on June 6, June 13 and June 20, plus our combined meeting on June 28.

Yours in Christ,

Jeff Weaver, Chair, Senior Pastor Call Committee
