Re: Report to Council

- **Capital appeal Giving Stories.** Members should receive in mail around June 20. We would like to publish another issue, perhaps in the fall, to keep the momentum going. If you haven't written a story, or if you know someone who should be encouraged to write one, see the inside front cover of the booklet for instructions.
- **Capital appeal Celebration Sunday.** Wonderful to be there and to get many photos of people having a fun time. Thanks to all who made it a great event.
- **June-July Parish.** Working on this issue now. I expect it will be a 12 pager; there are many graduates listed in this issue, and that is a popular article.
- **Nancy Martin retirement party.** I had a good time acting as the emcee but all the credit for this event goes to **Barbara Kriebel** for chairing and organizing, and to her whole team, including Rick Sten, Steve Kauffman, Danelle Andrews, Dona Norris, Amy Koch, Joe Hunter, Bob Brommer, and tons of other amazing volunteers.
- **Article about Sarah Yee, Nancy's replacement.** Met Sarah during her first week as she was working with Nancy. You can read the June-July *Trinity Parish* for an article about Sarah's background and her comments about her excitement in working at Trinity.
- **Thank you notes, prayer shawl bags, banners.**
 - ✓ Re-ordered a supply of Trinity note cards that staff uses for thank-you notes, etc., and that Jay Killian uses for capital appeal
 - ✓ Re-ordered bags used for prayer shawls
 - ✓ Working on banners for parking lot light poles
