

Trinity Lutheran Church Worship Team
Report to Congregation Council
May 2018

Last Meeting May 21, 2018

Worship times for summer and fall

Times for summer are publicized now. Times for fall are to be decided soon.
ADDED LATER: All of Worship Team was included on May 30 of an experimental run-through of what the services could look like if both Traditional and Contemporary began at the same time. Thanks to the work put in ahead of time by Nancy Martin and Pr. Horner, it worked out well. Stay tuned for announcements of how this will work beginning in September.

Ushers

AED training is being scheduled for the summer. Not only ushers, but anyone will be able to learn how to use the AED. We will publicize the times once they are established.

Decorations for Pentecost looked beautiful. 37 geraniums went to shut-ins. Kathy is looking for help with decorating year-round. Jane will talk to Stephanie about using our media resources to ask for the right person.

Miscellaneous

Jane will review the list generated by a year ago of responsibilities that N.Easton covered in Contemporary Worship. Some things have been forgotten at times, such as the Lenten candle. We will add as necessary to responsibilities such as altar care to ensure that all elements are present for worship.

Next Meeting August 20, 2018, 6:30pm
