### **Upcoming Business:**

#### **(Church Picnic for Capital Appeal - Sunday, May 20)**

Steve sent an email with updates - There is a whole appeal team coordination of this event - food, games, dunk tank. Volunteers are still needed as well as encouraging people to attend the picnic.

#### **Summer Sundae Concert - Debbie Wilson - August 26, 2018**

Plans for the Summer Sundae Concert are for an event the same as last year - a one-hour event in the grassy area along Market Street with Faith X music, ice cream and a pastor welcoming those gathered from our congregation and those from the community.

#### **Dinner Theater - Anne Stafford**

Anne will look into shows at both Oyster Mill Playhouse as well as the newly remodeled Allenberry Playhouse and let us know what she figures out. Because of the close proximity - dinner isn't going to be a coordinated part of the evening - but those who go can either attend both dinner and the play, or just the play.

#### **Octoberfest - Martha Nagle**

Martha wasn't present, but indicated she'll plan this year's event again. We just need to get it on the church calendar.

#### **Thanks & Giving - Kathy Holmes**

Kathy will look at the church calendar to make sure that the Thursday before Thanksgiving (November 18) is available.
