

Trinity Lutheran Church P&C Team
Report to Congregation Council
June 2018

The P&C Committee has not met since the last update. Our next meeting will be held on July 23.

Here are the things that we have completed on since the last update.

- **Gathering Space Update** – The gathering space art wall was switched over from the History information to the appeal information. We also added our goal tracker. We will continue to update the tracker as pledges come in.
- **Trinity Family Picnic** – The picnic and official appeal kick off were a success. Thank you to everyone who participated.
- **Updated process for submitting council reports** – At the last council meeting a request was made to have an online way to submit council reports; eliminating all of the emails that we are receiving. We put this process into place this month. Thanks to all for adjusting to this.

Here are the things that we are continuing to work on:

- **Giving Stories** – The Giving Stories booklet is nearly finished. These should be arriving in mailboxes by June 20th.
- **Pledge Table in Gathering Space** – We have set up a pledge table in the Gathering Space on Sunday mornings. We need people to be available in the Gathering space to chat with members of the congregation and continue to keep the appeal front and center in people's minds. If anyone is interested, please sign up here - https://www.trinitycamphill.org/sign-up-sheets/?sheet_id=11
- **Ongoing appeal communications strategy** – Finalizing what the appeal communications will look like over the summer. We will meet with the Kairos team on June 26th to make further plans.
- **New Directory** – We have been working together with Pastor Brock and Bill Bishop to determine how we can gather new directory information (address/phone number/emails/picture) and distribute to the congregation. Pastor Brock and Bill attended a training session on this program. We will continue to work with them over the summer and plan to roll something out by the fall.

Respectfully submitted,
Danelle Andrews
P&C Facilitator
