

Trinity Lutheran Church P&C Team  
Report to Congregation Council  
September 2018

The P&C Committee held a brief meeting on August 20, 2018. Due to a time change many members were unable to make the meeting. Our next meeting is scheduled for October 22.

Here are some of the things that we have been working on:

- **New Directory** – We have been working together with Pastor Brock and Bill Bishop to determine how we can gather new directory information (address/phone number/emails/picture) and distribute to the congregation. Pastor Brock has determined that each member is able to gain access to update their current information and picture that we have on file. A letter will be going out to all members with directions on how they can update their information and view the online directory. At the convenience of Bill, we will set up time where people can have their pictures taken for their profile.
- **Gathering Space Update** – We have been working closely with staff and a volunteer to draft some ideas for displaying publicity materials in the Gathering Space and entry way area. We are working to roll out changes by early fall.
- **Creating a list of Service Opportunities** – Jeff Weaver identified concerns over the SERVE pages of the website and the lack of information/opportunities that we currently display. Service is a main item in our mission statement, however we do not have a place that lists all the ways one can serve at Trinity.

Jeff has taken the lead in reaching out to staff and the pastors, and we will begin to put together an extensive list of ways that folks can serve, both within our congregation and through our outreach ministries. We feel that having this information available on our website would allow us to inform our current members – as well as those looking for a new church home - of the opportunities for service at Trinity. Even if a listing such as this doesn't result in a significant increase in volunteers, it has great value in presenting a clearer view of how Trinity seeks to live out it's mission statement

Keep an eye out for additional information. We will be reaching out to committee chairs for input as we work through this process.

- **Online Trinity Calendar** – We have been working with Sarah Yee in the office to get an online calendar back on the website. The entire Trinity calendar can be found at: <https://www.trinitycamphill.org/calendar/>. Thank you to Jeff and Sarah for helping to bring this all together.
- **Faith Connections Brochure** – We have been working closely with Kelly Falck to roll out the new Faith Connections concepts and brochure. We are excited to see how the classes come together this fall. I encourage you all to attend the open house on Sunday, September 9<sup>th</sup> and check out a new class!

Respectfully submitted,  
Danelle Andrews  
P&C Facilitator
