

STRATEGIC PLANNING COMMITTEE

REPORT TO COUNCIL.....SEPTEMBER 2018

With the Fall program year upon us, the Committee would like us to focus more specifically on implementing the goals and action steps included in our three year plan (2018-2020).

Please review the goals/action steps related to your areas of ministry and continue to undertake efforts to be completed by the end of the year and beyond.

We will identify specific staff persons and Committees for each item and send them to you within the next week.

We have also developed a more simplified report format for your end of year report on the status of your areas. We will forward a blank copy of that report format for your use.

Please expect a request to complete your sections of the report by early December so that we can develop an end of year 2018 report on the plan.

Thanks.

Yours in Christ,

Bob Frymoyer, Chair
