

## Report of the Lead Pastor

September 2018

### Pastoral Acts

Baptisms	n/a
Weddings	n/a
Funerals	n/a

### Staff

Sarah Yee, Director for Administration has tendered her resignation. She will work through Oct. 28<sup>th</sup>. I have notified Mike Finio and Dave Maser. We will put a plan of action together this week.

### Stewardship event

The Stewardship Training event co-sponsored with our synod for Oct. 12<sup>th</sup> has not had the pre-registrations we were hoping for. Unfortunately, the synod publicity for the event has not been very good. (Last synod e-blast didn't even mention it.) Even if we can get our members out to this event I would be of great benefit.

### Camp Hill Harvest Hop

September 22<sup>nd</sup> we were well represented for the Market Street community event. Volunteers welcomed walkers, invited people to church and concerts, helped kids with a craft and games. A very nice public witness and one we should prepare for every time Camp Hill does it or similar events. (Usually once a quarter.) See you there!

### Men Ministry events

I want to lift up for the Council the great fellowship events our men's ministry have put on. In September the Steak and Corn Roast and this past weekend the Golf Outing encouraged the "connect" part of our mission statement and were very well received by all who attended. I recommend them and hope we can have even greater attendance.

### New Worship Schedule

The fall worship schedule seems to be working out very well and we are accomplishing the goals we set out for it of dedicated formation/education time, greater fellowship, and continued one preacher for the weekend. Please share your feedback.

Your servant in Christ,

Pastor Jack Horner
