

Trinity Lutheran Church P&C Team  
Report to Congregation Council  
December 2018

The P&C Committee has not met since the last council meeting.

Here are some of the things that we have been working on:

- **New Directory** – As I am sure you are aware, we have started the process of getting the new directory information updated. We spent 3 Sundays and 1 Saturday taking pictures and updating information in the Gathering Space. We took approximately 150 pictures and updated the information for about 50 additional households. 75 people requested servant keeper log in access to their own member profiles/directory. Tom Notestine is working on making the updates to our system. We will be sending out additional emails and a letter to try to get more people to update their information and picture. We also plan on setting up additional photo opportunities in the Gathering Space. A big thank you must go out to Bill Bishop, Bob Brommer, and Chris Seivard for taking the pictures for us. Also, to YG Members Cora and Ellie Heilman and Jonice Storer, along with Christina Maurer, Paul Askey, Nancy Martin, and Dave Maser for helping to run the information table in the Gathering Space.
- **Gathering Space “Art Wall”** – The P&C Committee is working along with the Arts Committee to create a schedule of use for the “Art Wall” in the Gathering Space. Currently the wall is displaying banners for the Advent and Christmas eve services.
- **Check out the new Serve section of the website!** We are very pleased with how this section has turned out. Take some time to check it out!
- **Christmas video** – We are currently working on putting together a video for the Christmas season. Stay tuned and get your singing voices ready, as some of you may be asked to make an appearance!

Respectfully submitted,
