

## **Children's Ministry**

Christmas Eve program was a huge success.

Kick off to 2019 as we continue with our excellent "ORANGE" curriculum which brings faith to everyday life issues. Well over 125 children enrolled in our weekly Faith Connect Kids! program

## **Milestone Events**

- Preparing to host a Communion Milestone Workshop on Sunday morning, March 3 2019

## **New Members**

Delightful "Discover" class was presented on January 6

Looking forward to hosting the next "Begin" session starting n January 13. This season we have gone back to utilizing a 4 week schedule, rather than just a 1-session luncheon. However, the curriculum has been revised and expanded to better match our mission statement. We will be exploring ways to WORSHIP, CONNECT, AND SERVE on each of the weeks. Immediately after folks are welcomed as new members, there will be a follow-up Sunday morning Faith Connection Class called "Starting Point" and we are going to encourage all new members to use this as a way to immediately get connected to the community.

## **Spring 2019 Mid Week Connections**

Research is underway for ideas for our mid week Lenten connection opportunities. Details will be announced as soon as plans come together.

Respectfully submitted by,

Kelly Falck
