Christmas at Trinity

I survived my first Christmas at Trinity. It was beautiful and so much fun!

New Member Classes

With the new year has come new member classes. In collaboration with Kelly Falck, I have been working to organize and start this newest round of classes. We began the classes with “Discover” on January 6. We will continue classes on January 13, 20,27, and February 3. These new members will be welcomed on February 10, 2019.

Stewardship Team

With Pastor Horner, I am working to add new members to this team, focusing on a holistic vision of stewardship: giving, serving, and leading.

Hospitality Team

Before the holidays, I spoke with a few perspective chairs for this team. No one felt called to lead this team. In the new year, it is the goal to empower someone to work with me and this team in four main areas: greeters, “inside” evangelism (being good hosts to the community groups that use our building, targeted evangelism mailings, and Camp Hill community events.
