Holy Week Worship Prep

The staff has been working to put together an amazing worship experience for Holy Week. I'm looking forward to seeing how our hard work comes to fruition in a few weeks.

Carlisle Pike Conversation

On March 14, Pastor Horner, Pastor Brock and I attended another meeting of pastors at the Synod office regarding the Carlisle Pike corridor. As a group, we have decided to collaborate on an event in December along the Carlisle Pike.

Wednesday Connect Class

Throughout Lent, it has been a joy to lead a group as part of the re-vamped Wednesday Connect program. The group is called 'I Said This. You Heard That.' The class has focused on our temperaments and communication. We have had some great conversations!

Stewardship

On March 27, Pastor Horner and I met with the new Stewardship team. The meeting was focused on brainstorming for the fall stewardship appeal. This team is energized and full of great ideas.

Spring Conference Assembly

On March 31, Pastor Brock, our lay delegates, and I attended the Spring Conference Assembly at Zion in Enola. At this meeting, we prepared for the summer Synod Assembly. We lifted up names for the bishop election and chose Pastor Alex Martini as the dean of our conference.
