

**Mardi Gras in May**  
**Bi-annual Fundraiser**  
**5-5-19**

With less than a month away we are focused on getting volunteers and of course selling tickets! We are splitting shifts for volunteers so that they can also enjoy the evening and not wear anyone out! Looking for 111 volunteers. Online sign ups are in place for volunteers and ticket sales. Charlie Roberts from LSS gave an excellent mission moment this past weekend, hopefully that will spur activity.

Communications has created a Mardi Gras web page and facebook page, please be sure to check out. My hope for the next event is to continue to push automation.

April 22 is when your council basket and committee baskets are due! The computer room will be the temporary storage place. It's also the day we hang the Mary Kay Fager Paintings. Hope you enjoy the new artwork.

Entertainment and Games with the Youth Group are in place, The Kitchen folks have a fabulous meal planned including sampling of all foods! Lutheran Family feud will bring lots of laughs as we have Traditional vs Contemporary!

Tickets on sale again on 27 and 28<sup>th</sup> in the gathering space and online, along with an insert from LSS about Always Being Made New.

See you May 5<sup>th</sup>!

Thank you,

Mitzi Jones
