Pastor Jack
Pastor Liz

Meeting opened with a prayer.

Leadership: Dan Drury has put together an outline around creating a leadership program to identify, train and celebrate leaders in the church. Trying to create examples of how people became involved in leadership without seeming overwhelming.

- There are positions that require various levels of commitment - once a month, one time, or multiple times.
- Needs to include training on “how to ask” for recruits

Spiritual gifts: Kathy Smeal has worked with the office to get the program loaded.

- Identifying volunteer opportunities - include a link for electronically signing up for events
 - Discussed the Spiritual Gifts forms that Charlotte Lazarchik used years ago for new members to identify gifts (not specific committees) where people may be able to share
- Once the information is collected, there needs to be a call for action to engage people
- Any resource to capture all the options available, including an “org chart” for Trinity so someone can see the whole picture at once then be able to drill down.
