WEDNESDAY, MAY 22nd, 2019 AT 7pm

Attending: Deb Wilson, Ellen Ney, Joe Hunter, Mary Ellen Hettinger, Rick Sten

Absent: Kathy Holmes, Beth Reeser, Martha Hawk-Nagle, Pam Glenn, Anne Stafford

- A. Rick Sten lead opening prayer.

- B. Memorial Day Parade: Martha Hawk-Nagle communicated to the team that everything was ready for the church's float created by Gary and Bridgette Rini...the trailer provided by Roland Freund and Pastor Horner will be the driver for the float. Volunteers are asked to gather in the church parking lot at 8:30...volunteers will be passing out flags, crosses and candy.

- C. Summer Sundaes Concert: Advertising to begin in early August including sign up tables for volunteers in the gathering space. Deb Wilson reported music will be ready to roll and pump up the crowd again this year and Deb will send Rick Sten templates for time line and sign up sheets from a year ago. Rick Sten will also contact Stephanie Mauer regarding paperwork to secure ice cream from Giant Food Stores for the event. Also, may have two hospitality tents flanking both side of the sidewalk to ensure we can greet more people, hand out more flyers and get more people registered for the raffle prizes. Rick Sten will contact Erich Sprowls for a sign up table in the gathering space for August.

- D. GOE: Mary Ellen Hettinger reminded the team we are responsible for GOE on Sunday, July 21 from 10-12:30....For the summer months, no snacks...just beverages. We will also need to begin a volunteer recruitment effort for the start of the fall.

- E. Possibilities: We discussed a potential wish list for next year...outdoor family movie night...dinner theatre...trunk or treat(Halloween event)...TGIF Pot luck dinners...and a community block party...the block party discussion picked up steam when we talked about the chance of holding the block party the same evening of the Camp Hill Summer

Soiree...there would be built in traffic along Market Street...Rick Sten will contact Mary Beth Brath of the Downtown Camp Hill Association to get more info on the matter. It would be a big undertaking and will require a joint effort among the other committees of the church...just a thought for now...but it may be worth pursuing.

F. Lord's Prayer....Meeting closes.

Respectfully Submitted,
Rick Sten
