

Mardi Gras in May!

Our number one priority was to engage the congregation with fun, food and fellowship! Mission accomplished and along the way raised about \$8,600 for Always Being Made New Youth Ministry.

Numbers are still being finalized but it looks like we had close to 250 attendees with money coming about equally from ticket sales, auction and sponsors. The committees Baskets were a big hit, even generating a little competition. Your Council Chocolate and Wine Basket brought in Full price to a lucky Royce Hoffman – thank you!

I hope you were able to join us for the event or saw the photos.

A BIG thank you to the pastors, office staff, committee leaders, and so many more unsung heroes. In particular we were thrilled to have Peter Fox and the youth group participate in the kids games and Lutheran Glee, all in good fun. Family Feud with Traditional vs Contemporary also had many laughs. The Mary Kay Fager paintings were a bonus, Charlie Fager was so generous in his gift.

Many lessons were learned with this fundraiser leading me to begin work on a Trinity Fundraising Guide to assist with future events.

Thank you again for your support. Mary Ellen Hettinger wants to get a date ASAP for the 2021 fundraiser!
