

**COUNCIL REPORT**  
Ministry Director for Music  
June, 2019

During the month of May, I attended the following meetings: staff meetings, Worship Team, Creative Worship, and a Choral Festival '20 organizational meeting.

On Sat., May 4, our Concert Series season ended with "America Sings!" presented by the Harrisburg Singers. A full house enjoyed the concert immensely.

On Sunday, May 5, the younger singing choirs ended their season. All choirs sang that day and joined together in a beautiful anthem with instruments and percussion.

I attended the HYSO/JYSO concert at the Forum involving 3 of our youth.

I also accompanied 5 Cumberland Valley HS students in their Honors Recital at the school.

I attended the yearly American Guild of Organists (AGO) banquet and business meeting on May 6.

The three Bell Choirs also concluded their season in May, but the FAMILY Bell Choir will be playing sometime later in the summer.

58 singers are on the Summer Choir roster and rehearsed May 23rd. They will be singing each Sunday at the 11:00AM service.

I demonstrated the organ and handbells to a class of Trinity Preschoolers.

Service music, hymns, and other appropriate lectionary-related music for the summer has been completed including the scheduling of many wonderful singers from our church and beyond: Marianne Moran, Bill Murray, Amy Yovanovich, Charles Beckley and Christyan Seay.

Many instrumentalists are also scheduled.

The Weekly CHOIR BLAST, which is sent to all choir personnel and their families, other interested individuals, and posted on Facebook, will highlight who is singing/playing and when.

Karen Appel will be the Supply Organist for 5 weeks over the summer.

There is plenty of cleanup work to do: filing, sorting, etc...

**The 2019/2020 Concert Season** planning is mostly finished with a few loose ends to tie up. 8 concerts are scheduled. I have been assembling the orchestra for Christmas at Trinity which will be held Dec. 15.

I also played for a funeral.

Respectfully submitted,  
Tim
