

Trinity Lutheran Church
Arts Team
Council Report
June 2019

Old Business:

1. Bill Range provided an update for the monthly artist display schedule.
2. Tim Koch reviewed the information from the 2018-2019 concert series. All in attendance of this meeting agreed the Series again this year was a big success. The projected Cash Balance in the Concert Series fund is: \$21,400.

New Business:

Art Work concerns:

1. Patty Marshall requested perennials be planted around the David and the Lambs statue. Mary Haar will bring this up at the Property Committee meeting in August. Patty Marshall will be the advisor for this project on behalf of the Arts Team.
2. Patty Marshall and Bill Range requested that the Good Shepherd sculpture and the Instructive Christ sculptures be cleaned. Mary Haar will contact Steve Kauffman and Paul Hensel to inquire as to when these were last cleaned and by what company. Clarification needs to be provided as to whether this is considered a Property or Arts expense.

Concert Series:

Tim Koch distributed the 2019-2020 concert series. It was mentioned a lot of this schedule is tentative and can be changed. Financial details are being figured out still, but this was approved.
