- A. Recap of Sundaes Concert: The unofficial head count for the event was 235. All aspects of the event were very successful from set up, to execution of the event itself and the clean up. Deb Wilson and the Faith X team delivered a wonderful music program.
  
- B. Expanding Fellowship to the community: Options were presented for a potential community block party at Trinity. Becoming more visible at Camp Hill Borough community events was also discussed like the Spring Fling, Summer Soiree and Harvest...perhaps have a tent set up for the duration event with a hospitality table, registration box, give aways, light refreshments, flyers, etc.
  
- C. Oktoberfest: Martha Hawk-Nagle reported the wheels are in motion for the event planned for Sunday, October 20 following the late services.
  
- D. T&G Update: Kathy Holmes reported that more groups are signing on with the program which could bring dinner totals this year to perhaps 350-400. This will require more drivers and more donations to help pay for the food.
  
- E. Oyster Mill Playhouse/Fundraiser: Joe Hunter presented to the team a fundraising opportunity at the Oyster Mill Playhouse. Dates in May 2020 are being considered for the show "9 To 5".
