First Call Theological Education (FCTE)

The first call pastors of the Lower Susquehanna Synod began meeting again in September. This is my second year of FCTE and I'm looking forward to another year of learning with and from my colleagues.

Greeting at Trinity

With Jane Killian, I lead the second Greeter Training at Trinity. We had several new greeters attend as well as existing greeters. At the meeting, we began with prayer and a brief bible study. We also talked about changes to signing up for greeting as well as expectations for greeters.

Community Outreach Ministries

I've met with Community Outreach Ministries facilitator Mitzi Jones this month to continue talking about the future of this team and its leadership. Mitzi, who has been a part of this team for several years, will be stepping down as facilitator at the end of this year. I give thanks for the opportunity to work with her and the team will miss Mitzi! We are in the process of finding someone to lead COM.

Bethesda Mission Banquet

On September 12, a group of Trinity members and I attended the 2019 Bethesda Mission banquet where we celebrated the work of this organization, shared in fellowship with other partners of this mission, and heard the stories of several people impacted by Bethesda Mission.

Harvest Hop

On Saturday, September 21, I joined other Trinity volunteers welcoming our Camp Hill neighbors during this community event. We played games, did sand art, and shared information about Trinity with those participating in this event.
