### **Honor our Past, Plan our Future**

I want to thank all the dedicated lay leaders at Trinity who have worked so hard to reach this point in our life together. We have been so well served by Council, Property, and Capital Appeal's leadership, thoughtfully and prayerfully considering our options yet holding on to the vision to prepare Trinity for the future. I am proud to be a fellow worker with you in the vineyard. Now is the time to move forward united and empowered by the Spirit. I look forward to seeing how we can accomplish our vision for ministry and mission.

### **Christian Leadership and Conflict Resolution**

I have copies of a paper I wrote for a grant application that you may find helpful on leadership and resolving conflict in the church.

### **Trinity Pre-School**

I participated in pre-school parent orientation and helped welcome the kids to their first days of class. It was very nice to see so many of our own families with kids in our pre-school.

### **Synod Council**

I participated in orientation for new Synod Council members and attended my first (all day Saturday) meeting on 9/21. Next month I will visit with St. Matthew, York congregation council and thank them for their mission support as a part of my duties. At our November meeting we will have a similar visit from Rev. Beth Martini, an assistant to the bishop.

### **Ministry Field Education**

Make sure you introduce yourself to first year Seminarian Alex Knepper who is serving his ministerial fieldwork at Trinity this year, Alex will be with us on Sundays during the school year and maybe a day during the week at times. We hope to give a wide range of ministerial experiences.

### **Men of Trinity**

I participated in both the Steak and Corn and golf outing with Men of Trinity. Always fun events. I highly recommend our men to attend one or both in the future. Great times of fellowship.

Your servant in Christ,

Pastor Jack Horner
