

Report to Congregation Council for the November 12 Meeting
Trinity Lutheran Church Worship Team
October 16, 2019 Meeting Summary

Saturday Service Music

Tim Koch has been providing piano music. He has also engaged some instrumentalists and soloists.

Blessing of the Animals

We forgot to schedule it this year, but it will reappear in 2020 and beyond.

Greeter Continuing Education

Sunday, September 29 with few attending, but positive results.

Decorations

Blankets for Blanket Sunday, October 27, (also Reformation) will be displayed.

Advent/Christmas wreaths will include tiny LED lights. Thanks to Dave Rupnik for taking care of this.

Altar Care

All Saints votives will be used again.

Free Wine, the brand we use, may need to be ordered from Amazon in the future. The committee urged Barb to use Amazon now for the convenience of delivery.

Ushers

Bob is working on removing names from the usher rolls, as not all who are listed serve.

Items from the Floor

Pr. Brock: Discussion of Weekly Prayer List and how to best continue.

Pr. Horner:

Traditional service—move Creed and Prayers before the Gospel to ensure enough time for the preacher to be present.

We will again hire security for Christmas Eve.

At some point, the light system and bulbs in the candelabras will be replaced, but not the candelabras themselves.

J. Killian:

Green hymnals and With One Voice giveaways—Thanks to Marcia Brown for locating and delivering to congregations who will use the books. We are happy to pass them on in support of the wider church.

Special thanks to Becky Enney for her continuing dedication to providing altar cloths for All Saints Sunday.

By email following the meeting, the Team has agreed that if the Sunday flowers' cost increases in 2020, we will change the contribution to \$40 to cover the cost.
