

**Report to Congregation Council for the December 10 Meeting
Trinity Lutheran Church Worship Team**

Worship has not met since the last Council meeting.

As you worship in our beautiful spaces during Advent and Christmas, you will see the hard work of **many** people to lead worship, set the communion table, make music, enrich our visual surroundings, welcome members and visitors, and enable us to give to others. Much of this is thanks to members of the Worship Team. Our staff and volunteers are THE BEST.

Worship Team members are busy!
