D. Potential Events for 2020

(1.) Piggyback with Camp Hill Borough events: Team would like to join in the effort to be part of 3 benchmark borough events...Spring Fling(4/18), Summer Soiree(6/20), Harvest Hop(9/12). Rick Sten offered to donate a 10-10 pop up tent...also would request a Trinity banner for the tent be made...under the tent, table, light refreshments, registration box(Rick could get tix, passes through RED 102.3) church flyers...and a couple of members staffing the tent, extending hospitality and an invitation to Trinity. It is an effort to make the church and its people visible where there is built in foot traffic.

(2.) Luther Rose Dinner Theatre: In house dinner theatre returns...dinner with table service, "The Not-So Newly Wed Game"(the warm-up), "Young Lutherstein"(featured presentation)...possible dates discussed, 5/3 or 5/17.

3. Oyster Mill Playhouse: Discussion for Trinity Night at the Oyster Mill Playhouse in Camp Hill. It's a more intimate venue that seats less than 100 people. The playhouse would require a set cost to cover....the

church may set it's own price to create a fundraiser. The playhouse offers this opportunity for Wednesday nights...It was determined that Wednesday evenings might be a tougher sell and require more discussion.

#### E. G-O-E

Mary Ellen Hettinger submitted that while the core of volunteers is holding firm right now, there is still a need for more volunteers. Danelle Andrews is currently working on a recruitment poster with a "Guardians of the Galaxy" theme to get people noticing.

#### F. T&G

This event continues to show remarkable growth. Under the leadership of Kathy Holmes and Kristi Hoffman, 325 meals were delivered with well over \$2,000 donated by the congregation and over a hundred volunteers helping with the food prep, set up, prayer cards, serving, packing, deliveries and clean up...it was special!

#### G. Close and Lord's Prayer

In Christ,  
Rick Sten
