Baptisms: none

Funerals: none

Weddings: none

### **Christmas**

We had a strong Christmas once again. Our 2 p.m. service continues to grow and was enhanced by great music with Tim leading. Thank you to all the volunteers who make it all work. You add to the celebration!

### **Security**

With another church shooting this month I am greatly concerned that Trinity needs to do even more with security. One of the recommendations from the Security Task Force from a few years ago was to form a Security Team. They would be resources during worship services and large events/concerts. Ron Stern, a retired police captain, is willing to serve as the leader of such a ministry. I recommend his appointment by Council. We have special fund for new ministry startup that can fund it for the first year.

### **Camp Hill Clergy**

The Camp Hill clergy are meeting regularly and will be participating in the noon-3 pm Good Friday Service held at Trinity. It's a very nice group of colleagues and we are glad to be working with them.

Your Servant in Christ,

Pastor Jack Horner
