

## **Report of Pastor for Engagement**

**Pastor Liz Frey  
February 2020**

### **Wednesday Connect**

In coalition with the Faith Formation team, I am developing a new program for Wednesday Connect called Made to Move for kids ages 5 and up. The program will include a short lesson based on the Bible and physical activity.

### **Planning Worship for Lent and Holy Week**

The staff has been hard at working planning worship for Lent and Holy Week. I am looking forward to preaching on the theme for Lent: "Are you dying to...?" and participating in the new things we will be doing in this season.

### **New Members**

We welcomed 29 new members on February 2. I encourage you to welcome and talk with these new members of Trinity. They are a wonderful group of people and I have enjoyed spending some time with them in the Begin classes. Kelly Falck and I will be having one-on-one conversations with each of them in the next few weeks to get to know them better and to help them get connected at Trinity. We are calling these conversations, "BegInterviews." Many thanks to Kelly for coming up with this cute title. 😊

### **Lenten Boxes**

The Missions and Community Outreach Ministries teams will be collecting money for two projects again this year during Lent. I am coordinating with both teams to make this year's collection a success as we collect money for the music program at Hogar Miguel Magone in Guatemala and a STEM robot for the afterschool program at Camp Curtin YMCA in Harrisburg.

### **Divorce Care Prayer Service**

On Wednesday, January 28, I lead a short prayer service for the participants of the Divorce Care group that meets here at Trinity and is led by Trinity member Barbara Caboot. It was an honor to be with this group and proclaim God's love and grace for them.

### **Lower Susquehanna Synod Candidacy Committee**

I attended two meetings of this committee in the last month. On Saturday, February 1 I attended our synod's Day of Formation as a member of this committee. This event was held at

Trinity and is a day of learning and fellowship for candidates and committee members. The work of this committee can be difficult, but it is also life-giving to walk with candidates for ministry.

### **Mutual Ministry Team**

I met with my mutual ministry team on Tuesday, February 4. We had great conversation and I received helpful feedback and suggestions. I feel blessed to be in accompany with these wonderful human beings!

### **Lunch with Council President**

I met with new council president Charlie Suhr on Wednesday, February 5. We discussed how I see Trinity after my 2 years here as well as our challenges and our blessings. I am excited to have Charlie on board as council president and I look forward to working with him in this coming year.
