

Trinity Church Council
Vice President's Report
02.10.2020

1. Attended the Faith Formation Staff meeting in January to participate in the discussion around planning of upcoming Wednesday Connect Series. I am excited about the new programming being offered and the new selections for the weekly menu to help attract the children of our wonderful church community.
2. I had the opportunity to attend the kick-off of our new Life Groups. It was exciting to see 50+ members on Sunday participating in the mixer and getting to know one another. We have over 70 members registered for this wonderful new opportunity.
