Flu/COVID-19 Statement

Under actionable items that pastors have crafted a statement of recommendations in light of the recent COVID-19 outbreak in the U.S. We would like the Council to discuss and amend it as you see fit so we can share it with the congregation and move forward with proactive and responsible actions.

Staff

Evaluations have been completed.

Boy Scouts

Matt Bingaman and I met with the Boy and Cub Scout leadership re: fundraising. We had a very fruitful conversation and came to a good understanding. We told the scouts they can advertise fundraisers through Trinity Weekly. They are fine with locating their sales in a room.

Winter Shelter

On Feb. 10th I stayed overnight supporting the Winter Shelter that Trinity supports through our work with Christian Churches United (CCU). This organization has many great ministries Trinity has been involved in through the years.

Faith Formation

Linda and I began leading a Life Group and a new short-term class for Sunday's this month. I am very excited about our Life Group rollout.

Ash Wednesday

"Ashes to Go" was very successful if I can use those words. We had 55 participants effectively increasing our morning attendance by 600%. What was even better is that 40% were not members of the congregation.

Your servant in Christ,

Pastor Jack Horner
