

TRINITY LUTHERAN CHURCH

ADMINISTRATION AND PERSONNEL COMMITTEE

REPORT TO COUNCIL – APRIL 12, 2020

The A&P Committee has not met since February. Since the Building has been closed, all members of the staff have been paid their salaries, and the Pastors and Steve Kauffman have been making efforts to enable members of the staff use their talents to serve the Church, even remotely.

Russ Brown submitted his resignation. When the building is reopened, it will be appropriate to consider creating a new position for the oversight of the facilities.
