

COUNCIL REPORT
DIRECTOR OF MUSIC MINISTRIES
MAY 2020

My duties these days are trying to juggle traditional and contemporary music/musicians into one livestream broadcast each week, and to plan for the weeks ahead. I think it's going very well - from the many email/texts/phone calls I receive.

Even though most services, rehearsals (choirs, bells, Harrisburg Singers, etc.), and concerts have been cancelled, some rehearsals are still taking place throughout the week at the church for these broadcasts .

My plans for a "robust" Summer Choir are obviously down the drain. Hopefully, we'll be back in September – in some form or another.

Respectfully submitted,

Tim
