

## **Report to Congregation Council, July 2020 Meeting**

### **Trinity Lutheran Church Worship Team**

Worship Team met on June 10, 2020 via Zoom.

#### **Technology Updates**

Pr. Horner requested this meeting to review the current developments in updating the technology needed to continue streaming worship services at Trinity.

Pr. Horner and Steve shared the list of items as they were presented to and approved by the Finance Committee and Congregation Council. The committee discussed this.

The Worship team unanimously supports the purchase and installation of replacement and additional equipment for Fellowship Hall and the Nave to support live streaming.

#### **Future**

We reviewed recent decisions approved by council to institute drive-through communion and outdoor worship. Pr. Horner will call subsequent meetings of the Worship Team as the Reopening Task Force decisions impact the worship life of TLC.

**Next Regular Meeting:** August 19, 2020, 3:00
